SEVLEX | STRATEGIC PARTNER PROGRAM

Role: Business Development Manager

Territory: Global / Remote

1. EXECUTIVE SUMMARY

Sevlex is a specialized Cybersecurity and IT Management firm. We bridge the critical gap between standard IT support and advanced security operations.

- Our Mission: To secure business infrastructure against modern threats (Ransomware, Phishing) while managing daily IT operations (Helpdesk, Cloud Infrastructure).
- Target Demographics:
    - SME & Mid-Market: Legal, Financial Services, and Healthcare organizations requiring integrated Managed IT and Security.
    - Technology & SaaS: Startups and developers requiring Vulnerability Assessment (VAPT) and Compliance readiness (SOC2/ISO).

2. POSITION OVERVIEW

This is a high-impact, revenue-focused role designed for experienced sales professionals ("Hunters") seeking uncapped earning potential without administrative overhead.

- Your Mandate: Strategic prospecting, lead qualification, and appointment setting.
- Our Mandate: The Sevlex Engineering Directorate (including executive leadership) manages the technical scoping, proposal generation, and final closing.
- Operational Model: You open the opportunity; we close the deal.

3. COMPENSATION FRAMEWORK

Sevlex utilizes an aggressive "Upfront Bounty" model. Commissions are processed immediately following the clearance of the client's first payment.

A. Recurring Revenue Contracts (Subscription Model)

Applicable Services: Managed Detection (MDR), Managed IT Support (MSP), vCISO Retainers.

- Commission Rate: 100% of the First Month’s Gross Revenue.
- Payout Schedule: Disbursed immediately upon clearance of Client Invoice #1.
- Scenario: A closed contract valued at $2,500/month results in a $2,500 commission payout.

B. Project-Based Contracts (Consulting Model)

Applicable Services: VAPT, Cloud Security Audits, Compliance Consulting.

- Commission Rate: 11% of Total Contract Value.
- Payout Schedule: Disbursed upon receipt of client funds.
- Scenario: A closed project valued at $6,000 results in a $660 commission payout.

C. Terms & Conditions

- Retention Clause: A 90-day clawback provision applies to recurring contracts to ensure client quality.
- Pricing Integrity: Commissions are calculated based on the standard price list. Unauthorized discounts may impact final payout values.

4. AUTHORIZED SOLUTION PORTFOLIO

Partners are authorized to represent the following core service lines:

Service Line	Classification	Target Sector	Value Proposition (Pitch)
Penetration Testing (VAPT)	Project	SaaS / App Developers	We simulate real-world attacks on your applications to identify vulnerabilities before investors or malicious actors do.
Cloud Security Audit	Project	AWS / Azure Users	A comprehensive architectural review of your Cloud environment to identify misconfigurations and security gaps.
Compliance (SOC2/ISO)	Project	B2B Tech Startups	Strategic infrastructure preparation for SOC2/ISO audits to facilitate enterprise deal closure.
Managed Detection (MDR)	Recurring	General Enterprise	Security Monitoring. We detect, isolate, and neutralize network threats in real-time.
Managed IT (MSP)	Recurring	Law / Finance / SME	Comprehensive IT outsourcing. We manage Helpdesk, Microsoft 365 administration, and Data Backups.
vCISO Services	Recurring	Mid-Market	Fractional Security Leadership. High-level strategic governance without the cost of a full-time executive.

5. ONBOARDING & NEXT STEPS

Strategic Planning: Review the solution portfolio and identify the top 20 high-value prospects within your network.
Enablement: Sevlex will provide all necessary technical proposals, case studies, and pricing documentation.
Key Performance Indicator: The primary goal is to secure the first qualified meetings within Week 1.
